To,

The Chief Educational Officer,

Chennai

Sir,

Sub: Misplacement of NOC and Building License- Reg

Our School was started in the year 1975 and has been affiliated to CBSE from the year 1983. It is a Marathi Minority institution and we have been successfully running the school for the past 45 years.

The NOC obtained in the year 1983 for CBSE affiliation along with the Building license were misplaced/ destroyed in the recent floods and they have been untraceable despite our diligent search.

We have already applied for a fresh Building license and the Tahsildar has inspected our school on 1/8/2018 for the same

We have also requested for a copy of NOC by letter to your good office. We shall certainly produce the original Form D on receipt from the Tahsildar and duplicate of NOC on receipt.

Kindly excuse us for our inability to produce these two documents at the time of filing of Recognition/ NOC/inspection and oblige.

Thanking you.

Sincerely,

K. Suresh MA BL.
